

Marathon Entrants Out on Highways Today Practicing for Twenty-Mile Run

PRACTICE RACES BEING RUN TODAY

Washington Cross Country Club, Memorial A. C., and Carroll Institute Preparing for Times-News Marathon Race to Be Held May 11.

Three Washington cross country clubs and two Baltimore organizations hold cross country runs today in preparation for the annual intercollegiate marathon race to be held on May 11 from Laurel, Md., to Baltimore under the auspices of the Washington Times and the Baltimore News. The Memorial A. C., the Washington Cross Country Club and the Carroll Institute are holding workouts at various distances today and the St. Martin's Gymnasium A. C. and the Lafayette Wheelmen of Baltimore are giving similar events in the Monumental City.

Five more entries for today brings the marathon entry list up to 114, which is more than the number entered in the event last year. The high mark of 128 is sure to be broken for six more days of grace remain for the late entrants. More entries for the Carroll Institute of this city are expected after the run is held today. Coach Lynch expects to send in several youngsters, depending on their performances today in the run to Alexandria and return.

During the next two weeks all runners will get into top form and will lengthen their runs for endurance. The runners have been hard at work and the stiffness is gradually wearing away. Runners have not been suffering from sore feet this year, a condition which has characterized the arduous training periods in other seasons. The experienced ones have been able to take care of themselves and give helpful hints to the novices this season than in any other year.

A list of the marathoners to run in the Times-News annual intercollegiate race follows:

FOOTBALL BOARD WILL HAVE FULL CONTROL IN FUTURE

Blacklist for Incompetents. Officials Postpone Any Expression on Rules.

PHILADELPHIA, April 28.—At a meeting of the central intercollegiate board on the appointment of football officials, held at the Hotel Walton last night, it was decided that the board should have absolute control of the appointing and regulating of officials for the coming football season. One question—that of the expelling of an official from the board's list—was not decided upon in the meeting but will be dealt with in accordance with the opinions of the delegates privately expressed to Dr. J. A. Babitt, chairman of the board.

Navy Defeats Hopkins In Annual Track Meet

ANNAPOLIS, Md., April 28.—The Midshipmen showed unexpectedly good form in the track meet yesterday afternoon against Johns Hopkins, and won by 56 points to 38. The splendid work of Horrax, of Hopkins, who won a first tied for another, and took two seconds was responsible for the bulk of the visitors' points.

Gallaudet Falls Before St. Joseph's Hitters

Gallaudet was winner up to the ninth inning yesterday, when a rally by St. Joseph's brought four runs across the plate. The Kendall Green team was unable to catch up in its final session, and was forced to take another defeat.

KINGS' SPORT IS STILL POPULAR

Enthusiastic Spectators Attend Curtain Raiser at Pimlico. Society Well Represented Among the Throng—Washingtonians Attend in Full Force.

BALTIMORE, April 28.—The opening at Pimlico yesterday amply demonstrated that the sport of kings still has a strong hold in the land of its early triumphs. Despite the fact that rain fell almost up to the moment that the first race was called, one of the biggest crowds ever seen at the track turned out, and every available vantage point was crowded. Grandstand boxes, quarter stretch, and betting ring alike were filled to their utmost capacity.

As is always the case at Pimlico, the opening day was a great society event, and the representative leaders of the smart set of the town were in full force. Washington, Philadelphia, and New York contributed a considerable quota to the swell, and added much to the general gaiety.

Interesting Throughout

The racing was full of interest from the first number to the very close, and the big crowd was kept on edge to the finish. The fields were very evenly matched, and each event was hotly contested. A number of surprises were in order, but that was natural enough in a spring meeting, where the form of many of the contenders is an unknown quantity.

Perhaps the biggest surprise of the afternoon came in the fifth race, for two-year-olds, when the crack colt Liberty Hall, from the Davies stable, was taken into camp by "Billy" Garth's likely Fatherless filly, who was making her first appearance before the starter.

Mr. Garth has all along contended that Liberty Hall is the best youngster he had handled for many years. The critics who were inclined to think that the astute Virginian was overenthusiastic were confounded yesterday, as Lady made good to the full extent.

Lace Won Easily. The filly won like a real good one, keeping close to the hot pace set by Ethelberg II and coming away at the head of the stretch to finish with something in reserve.

Liberty Hall is a slow beginner and that worked very much to his disadvantage in the race. He was outrun by Ethelberg II and Lace in the early stages and when he closed at the head of the stretch and attempted to come through on the rail, was shut off by the pace maker.

The colt was pulled to the outside and was going strong at the end. In another jump he would have been second. It is doubtful, however, if he could have overhauled the winner, even if he had been allowed plain sailing.

Lace was of stake caliber and the Colonel Parr, who purchased the filly from Mr. Garth a few days ago. Right after the race the clever trainer took a check for a neat sum from his pocket and said to a crowd of friends who were congratulating him:

"Here is the check I got for that filly."

The time in which he made the remark was in the wither of the hour, for he had the check and he had the filly back.

Lace entered in the Clabaugh and just at the present time it is hard to see who is going to beat her. About the happiest man on the grounds yesterday was W. M. Carter, who trains the Ryan Stable. Mr. Carter is a modest young Virginian, who made his entrance into the guild of trainers

only last year, but who made good from the start.

In the second race for maiden two-year-olds he had the pleasure of putting over his first winner of the year in the clever filly Silver Moon, which showing a high light of speed, spreadeagled her field.

The winner is a home-bred one by Mr. Ryan's young stallion Billadee, a son of Water Cress. Silver Moon's dam is Ruby Bird, the dam of Wonderwhy.

The winner, which had been showing well in her work, was well played, and when the filly came romping down the stretch, there was a general slogan of "Roll on, Silver Moon, Roll on."

The runner-up in this race Sandvale is a greatly bred one from the Belmont Stable, and is sure to improve. The filly was slow to get running, but came fast at the end.

MERCERSBERG TEAM SETS NEW RECORD IN THE MILE EVENT

3:27 1-5 Is Pace for Preparatory Schools Made at Penn Relays.

PHILADELPHIA, April 28.—Mercersburg Academy is today possessed of the world's champion mile relay team, having broken the existing record at the Penn relay carnival yesterday in the time of 3:27 1-5. The new mark sets the world's record for preparatory schools, and is considered phenomenal considering the fact that adverse weather conditions and a soggy track hampered the runners.

Except in the field events the Western athletes did not figure heavily in the results. Penn, Syracuse, and the Princeton Freshman running away with the relay races. Gallaudet ran a fine race against St. John's, getting second by the narrowest sort of a margin. The University of Virginia handily won out over Carlisle in its relay, Cooke performing well in negotiating his quarter in 51 seconds.

Wagoner, of Yale, did 12 feet 5 inches in the pole vault, and Guterson, of Vermont, jumped 24 feet 5 inches in the broad jump. These two were the best performances of the day in the field events.

Senatorial Snapshots

Jim Vaughn is due tomorrow.

Walter Johnson or Joe Boehling for the Nationals.

Jerry Akers, the "Dubuque demon," is given for a trial this week against the Red Sox.

Jack Stahl and his Red Sox will be here Wednesday for four battles with the Nationals.

Eddie Foster collided with John Henry when both went for Fisher's fly over the box in the eighth. Foster being severely shaken up, and retiring in favor of Ray Morgan.

Few thought Foster had so much speed as he showed in chasing himself around the corners on his home-run drive to the ninth. The little chap is very speedy, despite his short legs.

It was the shortest game of the season for the Nationals, traveling the whole distance in 1:28. Owing to poor weather conditions the games have gone on at least two hours ever since the curtain was rung up.

Bobby Groom showed masterful workmanship against the enemy. His curve ball, over which he has absolute control, broke beautifully across the corners, and his fast ball kept the Yankees guessing.

Manager Griffith believes that Groom will be as successful a winner this season as Walter Johnson. The pitcher will team with Henry whenever possible, as he says he works better with the American League than with either of the other backstops.

The Red Sox came from behind yesterday and grabbed another victory from the world's champion Athletics. Larry Gardner knocked in the tying runs, and then Duffy Lewis banged out a double, scoring Gardner with the winning tally. Hugh Bradley got two blows, one a double.

Harry Davis has shaken up his team in the hope of winning, and managed to trim the Browns yesterday, taking advantage of a wild pitch by Jack Powell. Lajoie is at first, Neal Ball at second, and Frankie at third. Lajoie is likely to remain at first, too, if Ball holds up his end at second.

FIRST TWO CLASSES NAME CANDIDATES TO MANAGE SPORTS

Politics Will Play Big Part in Elections at Georgetown.

The freshmen and sophomore classes of Georgetown University have named their candidates for the assistant managers of the track and baseball teams for next spring, and from now until the annual may elections of the athletic association at which time the assistant managers are chosen, the Hilltop will be rife with politics.

The 1915 classmen have chosen John Conroy, New Jersey, and John Petritz, of Illinois, as their candidates for track and baseball, respectively, and this pair are certain to poll a large number of votes.

Conroy successfully managed the class basketball team during the past winter, displaying great ability, while Petritz, whose work on the west-end gridiron during the football season attracted so much attention, has had managerial experience, having handled the reins of the baseball team when in high school. Both men are popular among the upper classmen, and promise to put up a hard fight for the honors.

Cartter and Waldron Picked. The Hilltop sophomores have selected Hugh Carter, of Montana, for track, and Romyne Waldron, of Pennsylvania, for baseball, and will start electioneering at once. Carter has been assisting in the track work all year, and because of this experience seems to be practically suited for the position. Aside from his popularity among his classmates Carter is well known to the upper classmen because of activities in various branches, and shows good promise to be a strong candidate.

Waldron is a product of the Hilltop preparatory school, where he participated in baseball, football, and basketball, continuing in the latter sport after entering college, and succeeded in winning a regular berth on the Blue and Gray quint for the past two years.

From all indications the coming elections will rival those of last spring in closeness, and the managers who will be able to feel sure of the positions until the ball ballot has been counted.

Assistants Are Instructed. Great importance is placed in the election of assistant managers on the Hilltop, as it is the custom of the athletic association to elevate the assistants to the manager's position after they have served a year's apprenticeship as assistant. During this period they are instructed in the duties of the office, and when given the managerial berth they are well fitted to carry on the work attendant with the position.

Besides the election of the assistant managers, officers of the association for 1912-1913 will be chosen at the meeting, which will, in all probability, be held May 19, as well as several other important matters. The basketball situation will be acted upon, and its position among the sports of the Blue and Gray institution determined.

BOB THAYER'S SPORTING GOSSIP

"EVERY KNOCK IS A BOOST."

All hail, Sir Robert!

Bob Groom's workmanship in the box yesterday was gilded and without a single flaw. He had superb control of a most unrelenting curve ball, and the Yankees were powerless in the face of it. Groom has got a good start this season, and should prove a winner with the Nationals, provided he gets the breaks.

Foster awaited some.

More and more are the fans satisfied that in Foster Clark Griffith has a coming star of the big league. The midge is fast on his feet, an excellent fielder, a daring base runner, and a sturdy clouter with the wagon tongue. His performances this season have made his name known all over the circuit, and Griffith is to be congratulated.

Pirates hang up record.

The Nationals have earned unstinted praise thus far this season by their willingness to mix it with an opponent. They are always dangerous down to the final out in the ninth inning, and this is a welcome characteristic wherever baseball is played. Even though the team may be a second division aggregation this year, the fans are with it, hoping for the future.

Latitte to Providence.

Jimmy McAleer and Jake Stahl, both former managers of the Nationals, will arrive in town Wednesday morning from Boston, and are sure to meet many friends during their four days stay in the Capital. McAleer really thinks he has a pennant winner this year, and will talk by the hour about his chances for the big melon.

No hits for Cobb.

The swiftest indulted in by the Pittsburgh Pirates at the expense of the Cincinnati Reds must have been painful to witness. Such slaughters are scarce.

Worked But Little

Yesterday's game was played in remarkably short time and required the pitchers to serve up but 193 balls. A list of the number of balls pitched follows:

GROOM.
First inning, 12; second, 10; third, 5; fourth, 8; fifth, 15; sixth, 9; seventh, 10; eighth, 9; Ninth, 8. Total, 86.

CALDWELL.
First inning, 14; second, 15; third, 8; fourth, 10; fifth, 7; sixth, 15. Total, 69.

HOFF.
Sixth inning, 11; seventh, 15; eighth, 12. Total, 28.

Business and Technical are scheduled in one of the high school series games on Friday, and followers of high school baseball say that the result of the game will determine the high school champion. Business showed in its game with Hatteries that it has one of the best teams that has represented the school in a number of years. Tech claims that the Central game should not be taken as a criterion of the strength of the team.

M. A. C. Defeated by St. John's College. ANNAPOLIS, Md., April 28.—St. John's is again victor over its rival, the M. A. C., having defeated the Aggies yesterday by 6 to 2 mainly through the efforts of Tolson, who fanned fourteen of the visitors. The Aggies got but four hits during the game, and scored in but one inning.
